

Call for Participation

We invite you to join us in **14th International Conference of Networks and Communications (NC 2026)** will provide an looks for significant contributions to the Computer Networks & Communications for wired and wireless networks in theoretical and practical aspects. Original papers are invited on computer Networks, network protocols and wireless networks, Data communication Technologies, and network security. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on advanced networking concepts and establishing new collaborations in these areas.

Highlights of NC 2026 includes:

- 15th International Conference on Cryptography and Information Security (CRYPIS 2026)
- 15th International Conference on Information Technology Convergence and Services (ITCSE 2026)
- 7th International Conference on Artificial Intelligence and Machine Learning (CAIML 2026)

Registration Participants

Non-Author/Co-Author/Simple Participants (No Paper)

100 EURO for Online (Without Proceedings)

490 EURO for Face to Face (With Proceedings)
